

# Empowering Women in Business Together.

## TANZANIA WOMEN CHAMBER OF COMMERCE (TWCC)

TWCC's objective is to bring women entrepreneurs from all walks of life together, including those in the informal sector to encourage business formalization and growth through capacity building and mentorship in order to fight poverty amongst women. TWCC works with both private and public sector organizations in assisting and providing the necessary support and guidance to women and youth in business and advocate for favorable policies in which women enterprises can flourish.

By nurturing a robust relationship and leveraging close collaboration with government and private institutions, TWCC provides a direct link between the government, women entrepreneurs and youth across Tanzania and beyond.

### WE EMPOWER YOU

Our organization has vast experience in working with international organizations, such as UN agencies, development partners and donors, government institutions, ministries, departments, trade facilitation and regulatory authorities, financial institutions, local and international investors, media companies, etc.

In addition, TWCC celebrates achievements in assisting women from other countries to establish their own Chambers of Commerce, such as South Sudan, Chad, Somalia, and more.

### WHO WE ARE

TWCC is an apex and umbrella organization uniting sectoral business women associations, companies, cooperatives, groups and sole proprietors who have agreed to form a united front to advocate, lobby and network for the wellbeing of their businesses and growth of women entrepreneurs.

### HOW WE STARTED

Established as a Tanzanian women in business umbrella chamber in December 2005, TWCC currently has more than 12,000 members and is serving more than 1 million women from all sectors of the economy – comprising of 27 regional chapters (branches) in Tanzania Mainland and Zanzibar, 14 women sectoral associations and companies owned by women (large, small and medium) and 11 platforms for women in cross border trade.

### OUR PARTNERS

TWCC is also a member of several apex business associations at the National and Regional Level, such as Tanzania Private Sector Foundation (TPSF), East African Women in Business Platform (EAWiBP) and African Women Business Association network, launched in 2023 under the African Continental Free Trade Area (AfCFTA). TWCC has a direct seat at the National Business Council (TNBC), chaired by the President of the United Republic of Tanzania.
